Attention: Federal Resources Branch, Room 3500  
for Mr. Garland Hagen

Dear Mr. van Loben Sels:

SUBJECT: SANDAG FSTIP ADMINISTRATIVE AMENDMENT NUMBER 1-A

We have completed our review of the San Diego Association of Governments' (SANDAG) Amendment Number 1-A to the 1996/97 - 1998/99 Federal Transportation Improvement Program (FTIP) submitted with your letter dated October 17, 1996. We accept this amendment in accordance with 23 CFR 450 as revised by the Metropolitan Planning Rule issued October 28, 1993, and effective November 29, 1993. This amendment revises SANDAG's 1996-03 Regional TIP as follows:

- Changes the funding source for three TransNet Program State highway projects to Surface Transportation Program (STP) funds from local funds.

SANDAG's TIP Amendment No. 1-A is approved as proposed and the projects are considered programmed in the 1996/97 to 1998/99 Federal Statewide Transportation Improvement Program (FSTIP). We find that this amendment was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and Section 8 of the Federal Transit Act (49 USC app 1607). The projects included in SANDAG Amendment Number 1-A are exempt from the requirement that a conformity determination be performed [40 CFR §93.134].

This finding has been coordinated with the regional offices of the Federal Highway Administration (FHWA), Federal Transit Administration (FTA), and the Environmental Protection Agency (EPA) in accordance with the procedures outlined in the Memorandum of Understanding on single mode TIP Amendments dated March 8, 1996.

This letter also constitutes approval, and inclusion of SANDAG's TIP Amendment No. 1-A into California's 1996/1997 Federal Statewide Transportation Improvement Program (FSTIP). Our approval is based on Caltrans' assurance that the funding for the projects in this amendment is already within the approved FSTIP Financial Plan, and therefore do not adversely impact the FSTIP Financial Plan.

Sincerely yours,

For  
David H. Densmore  
Division Administrator
